*Continue along the main village road, passing Pura Vida health shop on your left and the Convento and Ferreteria (hardware store) on your right. Continue on this road until you reach a junction at the end. Turn left at the junction. Very shortly after the turn you will see a small flower shop on your left and Unicaja bank opposite. The turn for Barrio Alto is immediately after the flower shop, on the left. It is a sharp turn into a steep hill.. Drive up this hill and continue until you reach the Molino – approximately 400m on your left. The Molino has a ceramic sign outside on the wall and a hanging sign. The street number is 67.*

If you overshoot the turning into Barrio Alto, do not worry! Continue past the Unicaja on your right and follow the road to the end/junction. You will then see another steep hill in front of you. Drive up this hill. At the top you will reach a small roundabout and you will see Ruiz Gallan supermarket. Turn right into the street on which Ruiz Galan is situated. Carry along this road (which veers to the right). You will then reach the Unicaja bank again on your right and Barrio Alto (the turning you missed) straight in front of you. Drive up this hill and continue until you reach the Molino – number 67.
